Profile

I would describe myself as an innovative and motivated Videographer with solid experience of both editing and film making. I enjoy all aspects of my role from concept development right through to implementation. I'm passionate about film and thrive upon keeping up to speed with new technology and media.

Interests

I am an avid runner and have completed five marathons raising over £7000.

I have a passion for films, music and new media. I have a keen interest global trends to help remain current with creative thinking.

I enjoy all aspects of photography from DSLR to iPhone, editing, grading and sharing on social platforms.
